

MicroLink Makes Purchasing IT Services Easy with Treasury-Wide BPA

MicroLink Background at Treasury

MicroLink, a technology services provider, has been awarded a Blanket Purchase Agreement (BPA) that may be used throughout Treasury. The Office of Financial Stability (OFS) at the U.S. Department of the Treasury selected MicroLink as a prime contractor to this BPA to perform Data and Document Management Consulting Services. MicroLink is in its second contract year with Treasury OFS.

What can be Purchased

Treasury may issue task orders under this BPA in the following categories:

1. IT Planning and Strategy Services (including hardware and software)
2. Computer Systems Planning, Design, Build, Configuration, Testing and Deployment Services
3. IT Operational Support Services
4. Other Computer Related Services

How To Purchase

Any group within Treasury has access to this BPA. Labor rates have been established.
